Week of August 27<sup>th</sup>, 2018

## Did you know?

All Adults MUST check in at the office. Check in/out is very easy and doesn't take long. There are iPads at Miss Laura's and Miss Dixie's desks. They are happy to walk you through the procedures when you come. We appreciate your help and understanding.

School Calendar can be found on our new school website <https://oakhills.davis.k12.ut.us/parents-students/school-calendar>

## *From the Administration*

Hello Parents,

What a great start to the 2018-2019 school year. These first three days have been fantastic! We really appreciate the great support at Back-to-School morning. We look forward to a great school year.

The Wasatch Book fundraiser will begin after Labor Day. The money raised will go to support Project Lead the Way program by purchasing VEX robotic kits and other items for the program. This program gives the students opportunities to explore and discover through hands-on methods. These funds will also be used for student incentives like attendance.

We are still accepting donations of 25\$ per student. This money goes directly to the grade level teachers. They use this in multiple ways from buying class supplies to field trips. We thank those who have already donated.

Our PTA is focused on getting more members than they had last year. Please join this wonderful organization. I am excited to see firsthand all that the PTA does to help our kids.

Thank you parents for all that you do to help your students and support the school. This is a team effort!

Mike Page

## *Counselor's Corner*

Hello Parents and Students,

I am so excited to be the new school counselor at Oak Hills this year! A little bit about me... I am from CA and taught elementary school there for 14 years. I have been doing school counseling for 4 years and I love my job! I have three amazing kids of my own and have lived in Utah for 5 years. My passion is guiding students to make positive and healthy choices for themselves. Children grow to become their best self when they know how to manage emotions, think for themselves, and behave in socially expected ways. I will be teaching guidance lessons throughout the year that teach these essential skills to all the students here at Oak Hills. Please check out my Counselor's Corner every week to see what skills, lessons, and advice I have to share with all. Best wishes for an amazing new school year! **"STOP worrying about the things that can go wrong, and START thinking about all the things that can go RIGHT!"**

## ***PTA News***

The Fun Run will be held Sept. 10<sup>th</sup> at 5:00pm. Families will bring a picnic dinner and participate in a Spartan Race for \$10/student. More information will be sent home next week. Please mark your calendars and support our PTA.

### **Where will your money go?**

The PTA funds:

- Field trip transportation for each grade. Field trips are expensive and this is a great benefit the PTA provides.
- School wide activities; Red Ribbon Week, Dudes and Donuts, Grandparents and Goodies, Teacher Appreciation, Read-a-thon, Colonial Days, Mt. Man Rendezvous and Field Day.
- The Art Program. The art program is now a class that all students get to participate in on a weekly basis. Students will learn from the master artists

## ***Reflections***

Reflections is an annual local, state, and national fine arts program in which Oak Hills Elementary encourages their students to participate. Students have the opportunity to reflect on a common theme and create an original work of art in the categories of Dance Choreography, Film Production, Literature, Music Composition, Photography and Visual Arts. The possibilities are limitless! Their works of art are judged at the school and winners have the opportunity to move on to the regional, state, and national competition. Last year one our students made it all the way to the state competition with her 3D work of art!

### **This year's theme is "Hero's Around Me"**

Have your student start reflecting on the theme and start creating to reflect their feelings about the theme. Again, they can choreograph a dance, make a film, express through literature, compose music, capture a picture, or express their creativity through visual arts! It's a great summer project!!

### **The deadline for submissions to Oak Hills will be October 26, 2018**
